These offices which are served biweekly are situated in out of the way places without any suitable accommodation for the inspecting officer to halt; coupled with this the bad condition of the road renders supervision an unpleasant task. Besides service by the village postmen would be more expeditious than through the Branch Postmaster who chooses to deliver articles as his convenience permits. In the circumstances the closure of these offices has been proposed.

1) Halagur is reported to be a thriving village. There is a Travellers' Bungalow where the inspecting officers can find accommodation. There is nothing to complain against the condition of the road since it is situated on the Mysore Bangalore High Road. It is 12 miles from Malavally and it would be very inconveneint if it is closed.

2) As for Basaral, the Sub Division Officer French Rocks reports that there is a musafarkhana newly built. It is connected by a local fund road which is kept in fairly good condition.

3) Excepting the offices at these two places, the other offices may be closed.

4) I have already reported that Baguru and Billahalli do not belong to this District.

Sir,

With reference to your memo No. G 6349-50 dated 30th May 1912, forwarding Copy of letter No. E.C/599 dated the 13th May 1912, from the Post Master General Madras Circle, to the First Assistant to the Honble the Resident in Mysore as also a Copy of its enclosure regarding the closure of certain branch Post Offices in the State (Which include the Bagur and Byrahalli Branch Offices of this District, and Calling for my views in the matter, I have the honor to State that it is reported by the Amildar of the Chennarayapatna Taluk that —

as suggested by the Superintendent of Post Offices, Mysore Division, the branch Post Office at Bagur may be closed as the place has no suitable accommodation for the inspecting Officers to halt and that the road from Chemmaraipatna to Bagur is in a bad condition. The Amildar states that the village of Karehalli in the Chemmaraipatna Taluk is situated by the side of Chemmaraipatna-Tiptur high road and has a Police Station, and that much inconvenience is felt for want of a Branch Post Office closeby, by the merchants and others of Anati, Santesivara, Nowlé, Masavanghatta and other places which are near to Karéhalli. The Amildar therefore suggests the desirability of transferring the Branch Post Office at Bagur to Karéhalli, as by so doing there would be sufficient income to the Postal Department. But even in this place there is no proper accommodation either to locate the Post Office or for the inspecting Officers to halt, other than the Police Station house

do

as at Bagur. Karéhally being on the road side it is desirable that there should be a branch Post Office for the convenience of the public and therefore the branch Post Office at Bagur, may be transferred to Karéhally.

2. As regards the branch Post Office at Bylahalli it is reported by the Amildar of the Hassan Taluk that the people of Bylahalli pray for the retention of the Office for their own convenience, but the people of the surrounding villages say that their letters may be arranged to be delivered to them through a village postman once in three days. The Amildar recommends that the branch post office may be retained in the interests of Government work as the inconvenience complained of by the Superintendent of Post Offices may be remedied, in Course of time. As Bylahalli is an out of the way place and is not even a Hobli Head Quarters now, the Branch Office may be closed as proposed.

I have the honor to be,

Your most obedient Servant.
